

October 2, 2015 Georgia Update

The Georgia Department of Community Health (öThe Departmentö) released its Batching Review Cycle Notifications on October 1, 2015. The batching notices can be found at <http://dch.georgia.gov/need-projections> and <http://dch.georgia.gov/public-notice>.

Platt HMC provided a summary of the need assessments for the various healthcare services in a Regulatory Update dated October 1, 2015, but for the need assessment for Comprehensive Inpatient Rehabilitation (CIPR), which was not yet available.

The Department has now issued this last need assessment, and the Department has found **NO NEED** for CIPR services in the State and **WILL NOT** accept applications under the exceptions to need standards.

The next assessment of need for these beds and services will be by March 31, 2016.
