## 2/9/2012 Update

On January 30<sup>th</sup>, 2012 the 2011 State Health Plan was released to the public on the Health Services and Development Agency website. This 2011 update to the State Health Plan is primarily a technical update to the CON standards for Magnetic Resonance Imaging Services and Megavoltage Radiation Therapy Services. These revisions and their corresponding rationale statements can be found in the State Health Plan at the following link:

<http://www.tn.gov/finance/healthplanning/Documents/StateHealthPlan2011FINAL12-21-11.pdf>

Currently there are no dates set for public meetings to discuss the 2012 State Health Plan. The specific program areas that are expected to have CON standards updated for 2012 are: Hospice/Home Health, Ambulatory Surgical Treatment Centers, Free-Standing Emergency Rooms, and Mental Health Residential Facilities.
